Dear Dr. Johnson:

Thank you for your support in helping to make a difference in the lives of Oregon school children so that they may experience a happier, healthier smile. Your generous donation of time and skill on the Tooth Taxi enabled us to treat significantly more patients and deserving students. On behalf of all the Tooth Taxi staff and sponsors please accept our thanks for your professional services.

This certifies your volunteer work of three hours on January 13, 2009 at Sunrise Elementary School in Albany.

Thank you for working with us to promote the Foundation's mission, "*Improving oral health for Oregon's children.*"

Sincerely,

Mary A Daly  
Program Manager, Tooth Taxi
